#### **An Appeal**

Wesley Higher Secondary School is one of the oldest schools in Southern India, located at Royapettah, Chennai and has been a premier institution for Boys' Education all through its 200 Years journey. The School was Founded by an Enthusiastic follower of John Wesley (Founder of Methodist Mission) Rev. JAMES LYNCH, also the founder of Methodist Mission in India.

The School is the Alma Mater for many illustrious Men who have excelled themselves in various walks of life. Today in its 200<sup>th</sup> year, the School is proud of its history and stands tall for its academic excellence and co-curricular activities and for its pre-eminence in Sports, at National and International level.

The school requires various facilities to cater to the needs of the modern age students and to fulfill the demands of the current system of education. Our old School with a very large campus in the heart of the city, lacks adequate resources for maintenance and augmentation of various infrastructure facilities for the benefit of our students.

The *Wesley Alumni Association (WAA)* registered under the Tamilnadu Societies Registration Act, 1975 and under the Section 12A of the Income Tax Act, 1961, wishes to make this historic event of 200 years a remarkable one and has planned to execute the following projects with the help of Alumni spread across the world, NGOs, Well-wishers, Business Community and Philanthropists.
